Concord

Light the moment

Concord Beacon XL Muse
Architectural lighting by **SYLVANIA**

Beacon XL Muse is a new addition to the innovative and award winning Beacon Muse range of spotlights. The soft-touch ring enables the end-user to manually adjust the beam from a wide flood (70°) down to a tight spot (10°); without the need of any additional lenses or reflectors.

Beacon XL Muse boasts a super high CRI of 97 with the R9 value at 90 -ensuring vibrant reds - the ideal spotlight for museum, gallery and retail applications where a high quality of light is required. Available with on-board dimming potentiometer, DALI or Sylsmart Wireless SSC dimming.

Sylsmart SSC

- Wireless dimming of single or multiple luminaires with simple touch gestures on your smart phone
- Automatically form a wireless mesh network with the other Sylsmart Wireless SSC luminaires
- Set up simple or complex scenarios with single or multiple luminaires in them. All the luminaires in one scene can have different light levels according to the needs of the end-user
- Define the security of the network. There are four different security levels for access control
- Control luminaires visually, by adding photographs into the app to virtually recreate the room
- The Sylsmart Wireless SSC use Bluetooth Low Energy to form the direct connection and interaction between a mobile device and the luminaires
- Free app is available to download on iPhone and Android devices
